

What is your greatest success?

What is the one thing you have done in your life that you consider your greatest success?

Inscribe what you achieved on the trophy.

What led up to this achievement?

What obstacles did you overcome?

What about this achievement was particularly important to you?

Were you able to achieve this kind of success again? What happened?

Winston Churchill said, "Success is walking from failure to failure with no loss of enthusiasm." What failures did you have to endure to achieve your success?
