A red arrow points to the 'My Account' link. Below the navigation bar is a 'NEW TOOLS' banner with a search input field. The main content area displays three tool cards: 'Are You Addicted to Work?', 'Learning Self-Forgiveness', and 'Reducing Self-Criticism by Practicing the "Shoulds" Exercise'. ## Editing Tools and Sending Them to Clients

You can modify any tool or form that comes with your membership with the **Psychology Forms Filler** that comes with your membership. Click **Edit/Send** by any form, and the Forms Filler will open. Then use the editing tools to add your logo, your practice information, and so on. Once you're done, you should save a copy of the form you created by downloading it to your computer for later use. You can also send it directly to a client by clicking the **SEND** button. Your client will get a notification that the form has arrived and they can then fill it out online and send it back to you with one click. Once your client has filled out the form, they can save it and send it back with one click. [Click here to see the tutorial](#) on editing and sending tools.

## Using Your Library of Tools

Your Library includes over 2,000 downloadable tools to be used in adult therapy, counseling, and coaching. New tools are added every week and will appear on this home page. With each tool you have four options: save it to your "My Tools," view and print it out, edit the tool, or send it to a client. [Click here to see a video](#) on using your Library of Tools.
